Report Shows Big Business Gain In Area In Five Years

24.6 Percent Gain Shown By Dun During Past Five Years

Nevada County listed 7.4 per cent more businesses in 1960 than in 1955 according to a report released by Dun & Bradstreet.

Grass Valley realized a 11.6 per cent increase, Truckee a 24.6 per cent increase and Soda Springs a 25 per cent increase in the number of listed businesses for the same period, while Nevada City suffered a drop of 18.3 per cent.

"There were 466 businesses listed this past year in Nevada County which is an increase of 32 businesses over 1955," said R. F. Cathcart, district manager of the San Francisco office of Dun & Bradstreet.

Basing his facts upon the figures in the current November 1960 Reference Book, Cathcart points out that the 47 counties of northern California showed an increase of 12.8 per cent for this five year period.

The Reference Book lists only manufacturers, wholesalers, retailers and some service companies, such as gasoline service stations and laundries. It does not include all professional and service businesses such as barber and beauty shops, real estate and stock brokers.

"More than 95 per cent of all commercial transactions in the United States are made on credit terms," continued Cathcart. "Dun & Bradstreet is an intermediary between the buyers and the seller. We gather and interpret essential credit background information which is used by business men who want to evaluate the credit risk before shipping or selling, by industry and insurance underwriters as a basis for business decisions."

Using the Dun & Bradstreet Reference Book listings as a guide here are the comparative statistics on the growth and industrial development by cities during the past five years:

	Listings in Nov. 1955	Listings in Nov. 1960	Percentage Change
Grass Valley	232	259	+11.6
Nevada City	104	85	—18.3
Soda Springs	12	15	+25.0
Truckee	73	91	+24.6

SCHOOL REIMBURSED FOR GAMES DAMAGE

At their meeting in the department of finance offices in Sacramento Friday, the California Olympic Commission agreed to reimburse the Tahoe Truckee Unified School District for damages done to buildings when they were used by the state during the 1960 Olympic Winter Games for housing personnel.

The claim for $3,352 was presented to the commission by Al Bequette, superintendent of schools and investigation revealed it to be in order.

At the same time the commission took up the claims presented by Alex Cushing for maintenance and operation of his facilities at Squaw Valley during the games, but a decision has not been made and Cushing was given until February 28 to accept or reject the commission's offer for settlement.

Harold Berliner of San Francisco presided at the meeting and other members present were A. Andrew Hauk of Los Angeles, Sterling Cramer of Yosemite and Walter Barrett of Truckee.

FILM IS FEATURE OF MEET OF ROTARIANS

Fire Loss For Year Is Set At $194,875 In Annual Report

During 1960, the Truckee Volunteer Fire Department answered 27 alarms and fought fires for 46 hours. The total loss in the district from fires was $194,875, according to the report by Secretary Roy Waters.

Of the 27 fires, 11 were in residences, eight were business establishments, five were in the forest and three were in the Donner Lake area where assistance was given the Donner department.

The two major fires during the year occurred in the last week when the Donner Theater and the lumber shed at Burney Lumber Company were destroyed and the Telephone Building badly damaged.

Two Car Accidents Reported In Town

Two motor vehicle accidents, both in Truckee within a quarter of a mile of one another, in which four people were hurt, were reported by the California Highway Patrol.

The first accident occurred about 3 p. m. Friday and involved two employes of the Truckee Public Utility District in a pickup owned and operated by James Eli Harris, 20. The other occupant was Charles Tramley, 53. Both were taken to the hospital with minor injuries.

According to the patrol, the tierod on the pickup locked on the A-frame and the vehicle refused to respond to the steering whel. It went off the road and overturned. Harris was cited for having unsafe equipment.

In the second accident Sunday at 6:30 p. m. Ronald Lee Martin, Jr., 20, and Carol Martin, 20, both of Truckee were taken to the hospital by Truckee Ambulance after their car crashed into a parked pickup belonging to W. D. Randall on West Main Street.

Martin was cited for not having his vehicle under control and driving faster than conditions warranted.

IMMUNIZATION CLINIC AT SCHOOL FRIDAY

Another in a series of free immunization clinics will be held at the old elementary school house in Truckee between noon and 1:30 p. m. tomorrow, Friday, Dr. Ray H. Wiser, Nevada County health officer announced.

The diptheria, whooping cough, tetanus and polio shots will be given adults and pre-school children in one injection a month for three months and then a booster shot in one year.

SQUAW PARKING IS SUBJECT FOR MEET

The Placer County Board of Supervisors set January 31 as the tentative date for a discussion of the question of parking problems in Squaw Valley.

Representatives of the division of beaches and parks, the U. S. Forest Service, the department of natural resources and interested persons from the Tahoe area will be invited to be present on that date.

Wolverines In Tie For League Lead After Two Wins

Truckee-Tahoe Will Play Douglas In Truckee Saturday

The Tahoe Truckee Wolverines jumped into an early lead here Friday night and went on to take a 46-38 victory over the visiting Colfax basketball team.

In a Northern Nevada A Conference game Saturday at Yerington, the Wolverines took over a tie with Lovelock by virtue of their third conference win 73 to 57 over the Lions.

Truckee's win coupled with the Douglas Tigers loss to Lovelock left only two teams in possession of the lead.

Ben Ferrari again led the locals in the Yerington game with 26 points followed by Brian Notley who had 22. Notley also scored 12 points in the Colfax game to lead the scoring.

In the JV games, the Truckee squad defeated Colfax 57-44 and the Yerington JV's beat the locals 50 to 47.

The Wolverines will entertain Douglas here on Saturday night.

Seeding Of Donner Burn Is Completed

The Donner Lake watershed portion of the Donner Ridge burn was seeded last week by the state division of forestry. Nine thousand pounds of a grass mixture of timothy, orchard grass and cereal rye were dropped on the steep slopes by Sweetser's Crop Dusting Service.

These grasses are aggressive annuals and should help considerably in stabilizing soils on these steep slopes and in preventing excess soil runoff into Donner Lake.

Charles Carlson, state forest technician headed up the project with Frank Noyes of the state and Max Meadows of the U. S. Forest Service at Truckee as ground observers.

The observers noted that the seed, being dark and absorbing heat from the sun's rays, sinks readily into the snow. By the spring thaw this seed will be on the wet ground surface and in prime position for germination and growth.

This job completes the seeding project for the Donner Ridge burn. A total of 11 tons of grass seed were either aerial dropped or spread by hand seeders on the fire lines and unstable slopes by federal and state agencies.

PINELAND TRACT BILL OFFERED BY LUNARDI

SACRAMENTO — (CNS) — Assemblyman Paul J. Lunardi, Roseville, has submitted a bill in the legislature to create the Pineland Municipal Improvement District in the Lake Tahoe section of Placer County.

The district would have designated boundaries and provides for its powers, operation, management, financing, change of boundaries and dissolution.

Lunardi said the bill would be given to the Placer County Board of Supervisors and other local government bodies for study and recommendations.

TAHOE MAN FINED FOR BREAKING GLASS

TAHOE CITY — Gary Stollery, 20, of Tahoe City, who admittedly broke the glass on two parked cars, following an altercation with his wife on New Year's Day, was arrested by Placer County Sheriff's Officer A. Ables.

Stollery appeared before Judge Harry Charrison in the Tahoe Judicial District Court on January 3 where he was fined $150 and ordered to pay the owner of one of the damaged vehicles $25.

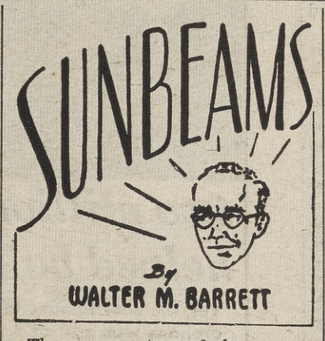
JAILED FOR DPP

Andrew Garcia, 30, of Truckee was arrested by sheriff's officers charged with being drunk in a public place. He pled guilty in the Truckee Judicial District Court before Judge Fosten Wilson and was sentenced to 20 days in the county jail.

At Georgetown—

Mrs. Bernice Smith, formerly of Truckee has left Oroville for Georgetown.

SUNBEAMS



By WALTER M. BARRETT

The urgent need for a new county building in the Truckee area was forcefully and rather dramatically pointed out last week when the ancient firetrap, known as the local jail, was condemned by the state fire marshal's office. This action was long overdue. The antiquated structure is definitely no place to house humans. It might well have served as a dungeon in the dark ages but certainly is no place for confinement in modern times. Just how soon the situation can be corrected is a moot question. The many surveys that have been made have all pointed to the need for a new building, but the matter of financing has been a deterrent. It seems to us that the time is now ripe for the powers that be to make this a No. 1 project for the county and put the matter in the urgent column. The project should not be required to wait until new additions are approved on the court house, but should be singled out as a "must" and efforts turned to have the building completed during the coming building season.

Crews Will Sweep Truckee Main St.

A short time after a meeting of the Truckee Donner Chamber of Commerce at the Alpine Riverside Hotel yesterday in which is was decided that the merchants would be asked to finance a street cleaning program here, a much better idea was advanced and accepted.

Supervisor H. G. Loehr and Road Foreman Edward Frates met with President Lee Apple and N. F. Dolley of the chamber and agreed to use the county's power broom to sweep the main streets each Friday morning providing chamber members would see to it that cars are kept out of the way.

It was decided at the same time to enlist the cooperation of the fire department to wash down the street occasionally. Merchants are expected to keep the sidewalk cleaned under the new plan.

CAMERON IS NAMED ON STATE GROUPS

The rules committee of the California State Senate announced today that Senator Ronald G. "Ron" Cameron, Auburn, representing the Seventh District, has been appointed vice-chairman of the senate committee on natural resources. Cameron was also appointed to senate committees on judiciary, military and veterans affairs, fish and game, and institutions.

Cameron's appointment as vice-chairman of the senate natural resources committee places him in a position to insure the proper development and protection of the vast natural resources of the Seventh District.

KITTS WILL DISCUSS EFFECTS OF FREEWAY

Robert H. Watson Of Tahoe Expires Following Illness

Last Rites Are Held For Member Of Pioneer Family

TAHOE CITY—Friends of Robert H. Watson, 74, a lifelong resident of Lake Tahoe and one of the most widely known men of this area, paid him a last tribute Tuesday at graveside rites held at Trails End cemetery at Tahoe City. Rev. George Symons officiated.

Funeral services were held prior to the graveside rites in the Chapel of the Hills mortuary at Auburn.

Watson was a native of San Francisco born September 10, 1886 and with his pioneer family came to Tahoe when a few months of age. He died Saturday in an Auburn hospital.

Watson was once owner of the Lake Tahoe Lumber Company and was a former building inspector for Placer County. He had a wide friendship among the people in the Tahoe region and for a number of years, with his wife Stella, had gone to the Gold Hill area during the winter months and was taken to the Auburn hospital during his final illness.

Surviving relatives are his wife, Stella of Gold Hill, Placer County, where they had maintained a winter home; daughter, Mildred Collins of San Anselmo, Marin County; sister, Mrs. Alice Gebhardt of Tahoe City, and a grandson, Tim Collins a student at Cal Poly. Two nieces, Anita Grennan of Daly City and Margie Rose of Las Vegas also survive.

Contributions to his memory may be made to the building fund of the Tahoe Womens Club.

Funds For Prosser In Federal Budget

Congressman Harold T. (Bizz) Johnson wired from Washington that the presidential budget includes $968,000 for completion of the bureau of reclamation Prosser Creek dam just north of Truckee which will store water during the next fiscal year.

The army engineer's budget includes $357,000 for Truckee river flood control work, Johnson said.

BOARD WITHHOLDS ACTION ON LICENSES

SACRAMENTO — (CNS) — The state department of alcoholic beverage control has announced it will not close down operations at Squaw Valley for any period of time at present for violation of state liquor laws.

During a weekend raid by agents several weeks ago, three licensees were charged with selling to minors and permitting minors to consume.

The department announced its decision in one of the cases—the Squaw Valley Improvement Corporation. The newly-formed firm has signed a 27-year lease with the state for operation of its facilities at the ski area.

The department ordered a 15-day suspension, with five days of that penalty stayed if there were no further violation within a year. But then the department ordered the whole suspension should not take effect until some later date.

Following the citations issued at Squaw Valley, department agents visited most of the ski areas from the Mt. Shasta area down as far south as the Inyo-Mono areas. However, agents reported they found general compliance with the laws.

NEVADA WINS EASILY IN DONNER SKI MEET

SODA SPRINGS — The University of Nevada ski team easily won the ninth annual Northern California Intercollegiate Invitational Tournament over host Sierra College at the Sugar Bowl on January 13, 14 and 15. In third place was Chico State, followed by Stanford University and College of the Siskiyous.

The University of Nevada's Dick Dorworth won both the downhill and slalom races, held on Mount Disney, and teammate John Matson won the jumping event. The six mile cross-country was won by Roland Stains of Chico State.

City Visitors—

Mrs. I. Firpo and daughter, Stephie were business visitors at San Francisco this week.

Increase In Travel During December Shown In Report

An increase of some 7,000 vehicles during December over November was noted in the monthly report of vehicles entering California over Highway 40. The Truckee stations retained a strong second place among the state department of agriculture's quarantine stations.

The report showed 59,455 cars, 3,735 trucks and 896 buses, carrying 156,036 passengers were checked entering the state here during December. This was exceeded only by Winterhaven which reported 70,810 cars.

The local mark was some 20,000 cars over December last year, the report indicates.

At Meyers, figures showed a decline during December with 8,069 cars compared to 9,899 for November and 7,351 for December last year.

Continued good weather with roads open and without restrictions, was given as a reason for the local increase in travel.

William Neubauer Funeral Conducted

Rev. James Mulligan said a mass Tuesday at 10 o'clock in Assumption Catholic Church for William Joseph Neubauer who died suddenly last Friday.

Neubauer was a retired mechanic, born in Minnesota September 28, 1892 and lived in the east until six years ago when he and his surviving wife, Martha came here to establish their home.

Preceding the last rites, Rev. Mulligan officiated at a rosary in the Truckee Colonial Mortuary Monday evening and interment took place Tuesday in the Truckee Cemetery.

Mrs. Earl Brown and Mrs. Jim Cooper, both of Truckee are daughters of the deceased who is also survived by two grandchildren.

Pallbearers were Earl Brown, Jim Cooper, H. H. Thompson, Eugene Welch, Earl Larkin, Frank Borden.

WATER BOARD CALLS MEET ON TAHOE ISSUE

SACRAMENTO — (CNS) — The state water rights board announced it will hold a hearing January 31 in Sacramento on a petition by Lake Tahoe Gold Mining Company to change its point of diversion, place of use and purpose of use of water rights it holds on Ellis Creek in Placer County.

The petition has been protested by E. N. Kettenhofen of Quail Lake Water Company.

The mining company has requested that water for domestic use be considered the primary use of the water and use for mining purposes be considered a secondary use. It also asked that the point of diversion of the water be moved 2,200 feet upstream from the point presently authorized.

Arsonist Sought After Two Fires Are Reported Set

Hotel, Cafe Are Victims Of Fire Bug; State Is Giving Aid

That an arsonist is active in this community has twice been evidenced since the fire which destroyed a large shed and piled dry lumber at the Burney Lumber Company three weeks ago.

Two incipient fires, one at Alpine Riverside Hotel and the second at the M&E Club were both discovered and extinguished before they gained headway Sunday evening. Both were the work of an arsonist, Fire Marshal N. F. Dolley and Deputy Sheriff Roy Waters agreed.

At the hotel, the manager, Ben Jensen and his assistant, James Marrott, smelled smoke and made a fast investigation. On the second floor of the hotel at the end of the hall they discovered a pile of wadded papers had been placed back of a radiator and set afire.

They quickly extinguished the flames and little damage was caused. This occurred at 4:30 p.m. Sunday.

At about 6:30 p. m. the same day, Ernie DeLisle smelled smoke in his M&E Club and his hurried investigation showed a fire at the rear door. An oil pipe leading into the club had been cut and a pile of papers set afire when the oil escaped.

The back door was half burned, but aid of the fire department was not required to bring the threatening fire under control.

Dolley immediately called the state fire marshal's office and assistance in apprehending the criminal was dispatched. It is believed that the suspect is known, but a double patrol is being maintained by sheriff's deputies until he is brought to justice.

The fire marshal's office described the Burney fire as the work of an arsonist. Everyone has been warned to be on the lookout until the suspect is captured.

Officers request that a report be made to either fire department officials or to sheriff's deputies of all fires, regardless of size, which are discovered in the area. They also ask that all suspicious characters be reported immediately so that the suspect can be located as soon as possible.

Public Excluded In Emerald Bay Talks

The joint meeting of the state highway and park commissions January 25 in the Public Works Building at Sacramento will be for members of the two commissions only, with public discussion meetings to come later on a proposed highway across Emerald Bay at Lake Tahoe.

The explanation was given by Robert B. Branford, state director of public works and chairman of the highway commission, and by Will Rogers, Jr., chairman of the park commission.

They said the meeting will begin at 2 p. m. and discussion will center around a report of State Highway Engineer J. C. Womack on advantages of two proposed alternate all year highway locations.

One is a high level road roughly along the line of the existing highway, State Route 89, and the other is a low level highway involving a bridge across the mouth of the bay and through portions of Emerald Bay and D. L. Bliss State Parks

"Members of the interested public are certainly welcome to attend and listen to the reports of staff members of the division of highways and division of beaches and parks," said the commission chairman, "but we do not plan at this time to hear presentations by groups or individuals.

"There will be further meetings, including public hearings, before the matter of a routing for Route 89 in the vicinity of Emerald Bay is resolved. One of these meetings may be another joint session."

FIRE COMMISSION AT LAKE MEETS FEB. 2ND

KINGS BEACH—There will be a meeting of the fire commission of the North Tahoe Fire Protection District at 8 p. m., February 2 at the fire station in Kings Beach. The public is invited.

At the same time it was announced that the new telephone number for reporting fires to the district is LIberty 6-3434. The business telephone is LIberty 6-3406.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO — (CNS) — Extensive criticism of the adult education program as advocated by school districts in this state was contained in an interim committee report by the assembly committee on education.

A sub-committee, looking into the program, has severe doubts and reservations about some areas of adult education programs "which are best described as avocational."

Classes in the following subjects are being offered throughout the state, the report says, at local and state taxpayers' expense:

"Cake decoration, lamoshade making, rug making, upholstery, ceramics, jewelry making, lapidary, leathercraft, piano playing, modern dance technique, sewing, physical fitness for men and women, knitting, millinery tailoring, woodshop, trailer camping, flower arrangements, conversation, and small boat handling."

The report goes on to say this list is by no means exhaustive, it is merely a partial listing.

On the other hand, the committee found that in one northern California city, the subcommittee found there were long waiting lists of individuals who desired to enter classes which would lead them to attainment of high school diplomas. At the same time, this district was offering upholstery, millinery and other 'avocational' classes which had barely enough students to maintain a minimum enrollment.

"How high school district administrators can justify that upholstery and flower arranging are more important than basic mathematics and English, this committee cannot comprehend," the report said.

The report pointed out that usually, districts are anxious to provide the so-called fringe classes when they can pay for them with state aid, but are reluctant to offer the classes when they come out of local taxpayers' funds.

"The state," the report declared, "is now experiencing difficulty in financing essential programs for children, youth and adults of California. In suchtimes, state support for teaching adults to decorate cakes, arrange flowers, build high fidelity sets, and braid rugs is considered a disgraceful luxury, which is not defensible and which deserves to be stopped immediately in the best interests of the children and the taxpayers of the state."

The committee feels that no state money should be spent for any adult, no matter at what educational level, if he is not pursuing work toward a certificate, diploma, degree, or classes in Americanization and in English for the foreign born.

The conclusions of the committee are somewhat reminiscent of the adult education system as it existed several years ago, when exposes indicated more time than necessary was being spent on fly tying and folk dancing.

At that time, attempts were made to cut out the so-called luxury courses in adult education, but from the recent investigation by the interim committee, other courses as absurd have been added.

The committee recommends the state department of education should use its influence to discourage local school districts from continuing or inaugurating classes which are not within the intent of the law.

STATE FARM CUTS CAR INSURANCE RATES FOR MILLIONS

A new rating plan from State Farm reduces rates for many careful drivers! It's a pin-pointed system for determining the rate that's fair for YOU personally. It matches you with one of nearly 100 driver classifications—according to your age, your sex, family members who drive your car, where you drive, how much you drive, and what you use your car for. It's more accurate in determining YOUR fair rate. And whatever your classification, you're pretty sure to pay less with State Farm than most folks pay elsewhere. Contact me today.

DONNER SUMMIT NEWS

By LLOYD W. GAY

SUMMIT WEATHER

The weather remained generally warm and clear over the summit area for the past week, except for a trace of snow last Monday, there has been no precipitation for four weeks since December 18, and the total seasonal snow fall remains at 112 inches. The maximum temperature reached 52 degrees on January 15, and the minimum dropped to 15 degrees on January 13. The snow pack on the ground at Soda Springs was 35 inches on Sunday.

EDUCATION MEETING

Dr. Harold Spears, superintendent of the San Francisco city school system will highlight a panel discussion featuring other leaders in northern California education in Auburn this Saturday. The program is designed to acquaint the public with trends in contemporary education, announced Principal Rex Anderson of the Donner Trail School. The program will be held in the State Theater in Auburn at 10 a. m. on January 21, and those interested in the recent rapid development of California education are urged to attend.

EUROPEAN VISITORS

Friends from Hamburg, Germany are visiting with Warner Aszmann and Herb and Lena Fredericks at Norden. John and Keti Kassebaum flew into the San Francisco International Airport by jet last week where they were met by Warner. Their plane, which flies from Germany to San Francisco without a change, was delayed 12 hours en route, and arrived at 5 a. m. instead of the previous afternoon. The Kassebaums will visit for several days before proceeding from here to the bay area.

STATE SNOW SURVEY CONFERENCE

Big Bend District Ranger Paul Madden presented the latest techniques in avalanche detection and hazard reduction as part of the program at the Eighth Annual Meeting o fthe Cooperative Snow Survey Program, sponsored by the State Department of Water Resources in Sonora on January 11 and 12. Fifty-five snow surveyors attended, representing 22 federal, state, county and private agencies and corporations engaged in the Cooperative Snow Survey program. Lloyd Gay and Bob Ziemer attended from the Snow Laboratory.

SIGNAL HILL SKI AREA

The Sierra Clubs Signal Hill ski area received a new rope this past week for their 1300' tow. This area boasts the longest rope tow in the Sierra, requiring a special rope from the factory, 2600' in length.

COLLEGIATE SKI RACES

The Sugar Bowl was the scene of the ninth annual Northern California Inter-Collegiate Tournament this past weekend, as the University of Nevada ski team took top honors in three of the four events, to win out over the host Sierra College who finished second, followed by Chico State, Stanford and College of the Sisikiyous. Dick Dorworth of the University of Nevada won both the downhill and the slalom. Teammate John Matson won the jumping contest and Roland Stains of Chico State won the cross-country. Sherman Reams, skiing for the Sierra College team finished in the downhill and seventh in the slalom.

TNT TIDINGS

By KAYTIE CORBIN

A Girl's League executive board meeting was called by President Bonnie Sumpter to plan an agenda for the next meeting this Thursday. A girl of the month was chosen and will be announced at the meeting. Along with other business was the possibility of purchasing a vending machine of fruits, sponsoring an exchange student, and selling of birthday calendars to make money. The freshmen class will present the entertainment for the meeting.

LIONS TO CONVENE AT CAPITOL JAN. 19

Sacramento is headed for one of the biggest Lions district conventions in recent years, Charles L. Bowman, general chairman, declared. Delegates and wives from the 700 clubs comprising the California-Nevada district meet in the capitol city for their 42nd annual convention, January 19-22.

Hotel room reservations from out of town delegates and wives passed the 1,000 mark this week. More than 600 hotel rooms have been reserved for the conclave.

San Francisco's capital investment in its International Airport in San Mateo County is $55,500,000.

WHAT'S DOING
L. R. deGallery, your Telephone Manager in Tahoe City

For some unknown reason, squirrels like to gnaw on telephone cables.
Their chewing puts holes in the cable's outer covering and lets moisture get inside. This, in turn, interferes with telephone service.
To protect phone cables, we cover them with metal roofs or wrap them with steel tape.
Squirrels don't like this, but it keeps our cables from being damaged and helps us keep your telephone service dependable.

The Lake Tahoe and Truckee Areas have a modern system coming this new year of 1961 which will help telephone personnel provide better and quicker service in many ways. This new system is formally called Automatic Distribution of Service Orders but the nickname is ADOSO.

For example, the effect this system will have on our customers: Newly installed telephone service will have the customer's name and telephone number in the information Operators' records the same, or following day. Before ADOSO, this could not be done in less than three days.

Many other things will be affected by this modern technique such as a more accurate billing. The system itself codes information sent from the Tahoe City Plant Service Center so it can be received in Oakland and Sacramento at the same time. The people with Pacific Telephone are happy this system will be installed in this area for it will help them to serve their customers better in the coming years.

Have you noticed how more and more products are now covered by guarantees? Cars, electric appliances, TV sets, tires . . . the list goes on and on.
There's one very common item with a guarantee you may not be aware of — your telephone. We guarantee it for life.
We're not pretending it will last forever. Some parts are bound to wear out, and occasionally a phone may be accidentally damaged.
When these things happen, we send a telephone man to fix it. But there's no extra charge. We want you to have good phone service all the time. Pacific Telephone

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p. m. on February 15, 1961, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, between 0.5 mile west and 2.6 miles east of Soda Springs (III-Nev-37-B), roadways for approximately 3.4 miles of 5-lane divided highway are to be graded, drainage facilities are to be installed, and 3 bridges are to be constructed.

Bids are required for the entire work described herein.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard specifications and special provisions.

The Department of Public Works reserves the right to reject any or all bids.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions. In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour	pd	per day
phw	per hour worked	pdw	per day worked
php	per hour paid	pdp	per day paid
phw/p	per hour worked or paid	pdw/p	per day worked or paid
psth	per straight time hour	w	wage
psthw	per straight time hour worked	gw	gross wage
psthp	per straight time hour paid	tw	total wage
psthw/p	per straight time hour worked or paid	pmd	per man day

Employer payments other than those itemized herein, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

Overtime, Sundays and Holidays—not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done as follows:

Meets at Wyethia Clubhouse, Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
"What is Truth?" is a vital question to be considered at Christian Science services Sunday.
Scriptural selections in the lesson-sermon on the subject of "Truth" will include this reassuring statement: "I will cry unto God most high; unto God that performeth all things for me. He shall send from heaven, and save me from the reproach of him that would swallow me up. God shall send forth his mercy and his truth" (Psalms 57:2,3).
The importance of prayer in understanding Truth is emphasized in this citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (11:27-31): "Prayer cannot change the unalterable Truth, nor can prayer alone give us an understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth."

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: We were sorry to lose our Petzoldt twins—Lana and Gayla. They are now living in Reno. Mark Ford has returned from his Christmas visit to Vallejo and Michele Walker has returned from a trip to Texas with her ents.

FIRST GRADE: We are glad that Mike O'Bear has recovered from his tonsil operation and is back in class.

These children had very good papers on a recent arithmetic test: Judy Dent, Mike O'Bear, David Daly, Phillip Grow, John Laugenour and Sheri Sassarini.

FIRST AND SECOND GRADE: We are studying simple machines in science, the ramp, wheels and pulleys. Kenneth Grady and Gary Paddock performed some very excellent experiments to show the class how these machines can make work easier.

2nd graders who received 100 per cent in our long spelling review were: Morse Burroughs, Gary Grow, Gary Paddock, Darlene Androus, Janet Corro, Sharon Ford, Nola Houlgate, Nancy Rablin, Peggy White.

SECOND AND THIRD GRADE: Best spellers this week are: Debby Jellin, Donna Horman, Margaret Holloway, Debra Eckerman, Gary Stone, Douglas Reid, Billy Fordham and Susan Kenyon.

THIRD GRADE: New class officers elected for the month of January are: Jim White, president; Chris Wiser, vice president; Larry Doyle, secretary and Eileen Hausauer, treasurer. Monitors for the month are: Donna Comola, Virginia Strobel, Debby Jo Wurst, Larry Simmons, Mark Manley and Patricia Stone.

Best story of the week was written by Ben King.

FOURTH AND FIFTH GRADE: In spelling, Karel Sauby, Mike Borden, Mike Kydd, John McGlade, Richard Martin, Henry Frates, Gail Shackelford, Shirley Davis, Michelle DeLisle, Tammy Richards, Elizabeth Richards, Curtis Melugin, Ryan Houlgate, Terry Higgins, George Franceschini and Maryann Atkinson all had A's.

Mike Kydd and George Franceschini turned in two very fine business letters.

Richard Briley's paragraph on "Knowing the Good Citizen" was exceptionally good.

FIFTH GRADE: Linda Russell, Ray Wiser, Mike Larsen, David Curtis, Tommy Romo, David Higgins, Nancy Randol, Marta Drewrey, Kenny Bretthauer, Chris Kumle, Allison Spillner and Rod McCallen will attend the skiing program at Truckee Elementary this year.

We have some A spellers. They are: Carol Brown, Pam Horman, Linda Russell, Allison Spillner, Michael Brumley, Tom Holleman, Mike Larson, Phillip Risden, Richard Walker, Ray Wiser, Hattie Baxter and David Curtis.

SIXTH GRADE: The ones who got 100's were Catherine Braley, Bill Waters, Eileen Olson, Cheryl Comola, Floyd Baxter, Bruce King, Beverly Holleman and Nick Kenyon.

President is Cam Houlgate, vice president is Bruce King and secretary is Beverly Holleman. Waste paper monitor is Jack Melugin, blackboard monitor is David Derting and sing monitor is Gary Waters.

SEVENTH GRADE: Anne Morey and Chuck Trainor recited a poem out of our reading book.

In science, Donald Greene and Mark Moore gave an interesting report on touch and taste.

SIXTH AND SEVENTH GRADE: The following sixth graders got A in spelling: Grace Blakely, Kathy Braasch, Darlene Doolittle, Linda Lewis, Creighton Lund, Rhonda Manley, Tim MacLane, Kathleen Norton, Terri Richards, Mike Snow, Ronnie Walker and Janice Williams.

Last week we got a sudden shock: the entire 7th grade got 100 in spelling. They were Bonnie Bucholtz, Jimmy Cross, Barbara Curtis, Barbara Lyddane, Laurel Mason, Joyce Randall, Bill Strickland, John Sturcke and Fosten Wilson.

The following students had the highest scores in arithmetic: John Atkinson, Darlene Doolittle, Linda Lewis, Mike Snow and Steve Weiler.

Students with A's in language were John Atkinson, Bessie Bennett, Grace Blakely, Kathy Braasch, Linda Lewis, Laurel Mason, Joyce Randall and Bill Strickland.

EIGHTH GRADE: The 8th and 7th grade basketball team played Tahoe City, Thursday, January 12 at Tahoe City school. Truckee was the victor with a 29-12 defeat of the Lakers. Kenny Taylor was high score man for Truckee sinking 8 baskets for 16 points. Greg Moore was high point man for Tahoe Lake. Truckee plays Kings Beach Monday, January 16 at Kings Beach.

KINGS BEACH

KINDERGARTEN: Reed Simmons has been ill this week. Davey Ferrari and Marla Sue Bracy are both celebrating their sixth birthdays this week.

CRYSTAL BAY CLUB GETS REMODELING

By Judge Harry Charrison

CRYSTAL BAY—Complete renovation and remodeling of the Crystal Bay Club is ahead of schedule, according to the owners.

The new facilities for gaming, the banquet room, cocktail lounge and entrance are all undergoing improvements for the convenience and comfort of the patrons and photos will soon be available for publication to show the new appointments. In the meantime, patrons are invited to drop in and view the changes and get an idea of what is coming.

In charge of the kitchen and dining room is the famous chef, Paul Adamco.

In the higher brackets in the personnel department are President Slim Laborde, H. E. McCoskey, secretary-treasurer and Ray Plunkett, vice president and Wiley Jones, in charge of the bars.

MARCH OF DIMES AT TAHOE UNDER WAY

KINGS BEACH—The 1961 March of Dimes, sponsored by VFW Post 7077 at Lake Tahoe and their auxiliary was started January 10.

Gene Antonson, post commander, said that cannisters, coin cards and posters were distributed on that date in Tahoe City, Kings Beach and Crystal Bay. Cannisters for the Tahoe City and Kings Beach schools were distributed by Ethel Antonson and Unadell Crawford of the auxiliary. A prize will be given the school for the class with the largest contribution.

The annual Mothers' March will be conducted on Tuesday, January 31 between 7 and 9:30 p. m. in Kings Beach, Carnelian Bay, Tahoe Vista and Crystal Bay and from 10 a. m. to 2 p. m. in Tahoe City and Lake Forest.

Antonson expressed the hope that the people of the North Tahoe area will again support this worthy cause.

ACTIVITIES PLANNED FOR LAKE AUXILIARY

KINGS BEACH — The Ladies Auxiliary to VFW Post 7077 held their meeting at the home of Wanda Brooks on January 12.

Activities for the months of January and February were outlined by President Pearl Martin. Bed pads for the veterans hospital in Reno will be made at the social meeting to be held January 26. Hostesses will be Ethel Antonson and Icey LaBorde.

Mrs. Martin asked that anyone wishing to volunteer and help with the Mothers' March on January 31 to contact Mrs. Harvey Martin or Gene Antonson.

In February the group will sponsor a bingo party at the Veterans' Hospital in Reno, the date to be announced.

Five year charter member pins were presented to Dot King, Ethel Antonson and Pearl Moore. Those who will receive their pins at the next meeting are Virginia Kornazewich, Mae Springer, Joy Plunkett, Barbara Bergman, Jean Cinani, Audrey Welch and Vera Wood.

206 COMPLAINTS AT LAKE FOR DEPUTIES

TAHOE CITY — A total of 206 desk complaints was processed by the Placer County sheriff's substation at Lake Tahoe last month.

The complaints ranged from calls for help from stranded motorists to investigations of thefts, vandalisms and assaults.

Recent complaints include a report by Robert Larson of Tahoe Park, who said last week, vandals had broken open a storage chest on his property and cut down eight trees.

Contents of the chest were strewn over the property and paint cans had been chopped open.

Deputy Max Bennett recovered a car reported stolen, belonging to Barbara Stevenson of San Francisco.

Miss Stevenson stated she had parked her car in the state parking lot at Squaw Valley New Year's Eve and returned to find it gone. Bennet discovered it parked in a different location in Squaw Valley, on January 4.

A taxi cab which was stolen from its parking place in front of the Squaw Valley Lodge was recovered in the Olympic Village Monday of last week.

HURSEY REPORT

Naomi Hursey of Glendale, Arizona sent greetings to local friends via Sierra Sun and said she had spent the holidays at Jacksonville, Florida with her son Roger and family. Robert her youngest son, is attending college at Flagstaff, Arizona and plans to be married in June.

DONNER DOINGS

By VIRGINIA O'BEAR

We are still enjoying beautiful weather at Donner Lake and the past weekend brought out many people in their shirtsleeves. Children could be seen out playing without heavy winter clothing on and there were many beachcombers walking along the lake. Even thought the lake is down pretty low and floats and piers are up out of the water, I think it is beautiful with its snow capped mountains being reflected in the still water. Others must have thought so because many stopped to take pictures.

* * *

On Tuesday, January 10, the firemen board of directors invited people who had contributed to the Donner Lake Volunteer Fire Department, the Ladies Auxiliary and the members of the fire department to participate in their election to help them select five board members. The people chose James (Hap) Warnke, Dr. Robert Affeldt, Charles O'Bear and George Brack. A tie for the fifth member was between Dr. Ray Wiser and Henry Slack. A reelection is scheduled on January 24 at the fire house and all persons who registered and voted on January 10 are asked to come and vote for either of these two men. The hours are from 7 to 9 p. m. After this reelection, the five chosen will join the four board members who were asked to remain in accordance with the department by-laws, taking office February 1. The other four members are Richard Walker, Tony St.Clare, Ivan Tofft and Arnold Verdi, who comprise the nine man board. I would like to take this opportunity to express the gratitude of the many people who turned for the election last week, as they were pleased to be invited. They enjoyed the social get together as well as the efficiently operated election. They seemed to enjoy their inspection of the fire house and the two trucks and all of the equipment. This was the first time for many to see the fire house and I am sure they were impressed to see the results of our hard working firemen.

* * *

Firemen this past week received a letter from their Fire Chief Hap Warnke thanking them for their fine cooperation in making his first year as fire chife a successful one. He announced that the department was summoned to 10 calls during the year without any complete loss in the district. He announced there will be two drills each month at the fire house between the hours 7 to 9 p. m., all meetings to be called on one of the drill nights, firemen being notified one week in advance. Hap also announced in his letter that the Truckee Volunteer Fire Department had invited the Donner Lake Volunteer Fire Department to their meeting to be held at Cozzi's on February 7 at 7 p. m., as thanks for their cooperation during the past fires in Truckee. Also there would be a movie on fire control. He ended his letter expressing appreciation for their interests and efforts the past year.

* * *

Officers and board members of the ladies auxiliary met at the home of Mrs. Richard Quist Monday evening. Auxiliary members attending this meeting were Muriel Wiser and JoAnne Affeldt who are hostesses along with Nancy Brodie for the charter party this Thursday evening. Louise Tapia was present also, being the guest of Dollie Harris. After the business meeting, pie-ala-mode and coffee was served by hostess, Paula. This Thursday evening will be an enjoyable one for all as it is the first charter party held by the auxiliary. Their husbands are being invited along with the firemen from the department who will bring their wives. Many are planning to participate and help make this fun for all, especially the charter members.

Mr. and Mrs. Don Hagemann of Palo Alto this week purchased a home in the Greenpoint subdivision and will be coming up weekend with their children. They spent last weekend moving in and getting settled so we are happy they have chosen Donner Lake for their weekend retreat.

* * *

Donner Lake Resorts will have a meeting this Sunday evening at 7:30 p. m., January 22 at Donner Lake Lodge. Ivan Tofft announced there will be guest speakers.

A "Seminar in Traffic Safety" held at the Mapes Hotel in Reno was attended by many members of the local women's service clubs last week. The seminar was sponsored by the Nevada Federation of Women's Clubs and the Allstate Foundation and was presided over by Mrs. H. J. Thorpe, state president of the Nevada Federation of Women's Clubs. The meeting opened with the invocation by the Rev. Milton Harrington and greetings by Reno Mayor Bud Baker. The day-long session featured addresses on the various aspects of safety problems by well-known experts in the field and an address to the group by Nevada Governor Grant Sawyer.

Attending the seminar representing the Women's Club were Mrs. Bob Snyder, Mrs. Albert Snyder, Mrs. Douglas Smith, Mrs. Phil Geier and Mrs. Charles Henrikson. Emblem Club representatives were Mrs. Dorothy Platek, Mrs. Robert Fugazi, Mrs. Gwen Robinson, Mrs. Velda Farris and Mrs. Gordon Brown. Mrs. Bethel Van Tassel and Mrs. Sophia Levra represented the North Tahoe Women's Club. Representatives of the Tahoe Squaws were Mrs. Bill Briner, Mrs. Jim Brehler, Mrs. John LeGras, Mrs. Larry Helm, Mrs. Woody Burris, Mrs. Jack Franklin and Mrs. Terry Tollefson.

A luncheon program was held for the group in the Sky Room of the Mapes Hotel.

The new indoor range of the Lake Tahoe Archers was ready for use by members of the group and their guests last weekend. The new range is located in the Fish Hatchery Building just outside of Tahoe City. The club will continue to use the outdoor range at Tahoe Vista which is a 28 target roving range. Both ranges are set to national standards, according to President Al Peccechenino.

The Lake Tahoe Archers is an active group, having raised its membership from five members when the club was reactivated a little over a year ago to its present 50 members. Other officers of the club are Ed Gill, vice president; Leah Cook, secretary; Connie Gill, treasurer; Fabian Cook, range captain; Otis Lyons and Larry Hulse, range lieutenants. Serving on the board of directors are Dr. Hillyard Holmes, Gary Gunkel and Jim Banta. David Banta is official cameraman for the club and is assisted by Bernie Banta.

The Showoff

Think you're brave? Then join the Marines! Don't try to "show-off" or prove your courage behind the wheel of an automobile. The AAA Foundation for Traffic Safety urges teen-age drivers (especially boys) to confine their grandstand antics to the athletic field or palyground. It will impress the girls just as much and won't cause a traffic accident. As the above characters demonstrate, "showing off" behind the wheel is kid stuff. Act like an adult when you drive.

(Continued from Page 2)

Wednesday evening, for her baby anticipated the first part of February. Guests present were Paula Gurney, Lorraine Briscoe, Betty Bertalini, Esther Horstman, Theresa Sutton, Pat Crow, the hostess and guest of honor.

Parent Teachers Association of the Kings Beach school will meet tonight at the school, according to Ceta L. Hooper, president. Scheduled is a talk by Bud Jones on the ski school and the showing of the film on the VIII Winter Olympics. The public is cordially invited to attend.

Mr. and Mrs. C. B. Waters of Tahoe Vista and Geri Bean of Tahoe City attended the California Teachers Association, northern section, council meeting in Sacramento last weekend.

Members of the North Tahoe Public Utility District, Kings Beach, attended a conference in Roseville Tuesday. Attending the conference were Ed Francis, Tom Sutton, Alice Sorensen, William Wiseman, Will Mizner, M. H. Waddell and Edith Mullis.

Mr. and Mrs. Paul Mullis of Kings Beach and daughter, Madelyn, will attend the wedding of Kermit Norris at Pasadena on January 21. Kermit is the son of Mrs. Mullis and a graduate of Tahoe Truckee High 1956. Kermit will marry Linda Gayanne McBride of Pasadena in a church wedding. Madelyn will be a candlelighter. The Mullis' expect to be away several days.

Combining business and pleasure, Mrs. Alma F. Bervid and children John, Nancy Jo and Patty of Kings Beach, spent the holidays in southern California. Former residents of Van Nuys, the Bervids visited with Dr. and Mrs. John Littig of Riverside, Mr. and Mrs. E. F. Lewis of Sunland, and Mr. and Mrs. L. S. Barta of San Gabriel.

Debbie Sipes, five year old daughter of C. A. Sipes of Kings Beach, was a patient at Tahoe Forest for removal of her tonsils last Monday. Debbie is home but convalescing. No kindergarten for another week.

James Cashman of Las Vegas suffered a spiral fracture of his leg while skiing. After spending some time at Washoe Medical Center he is to be transferred to Las Vegas. He was a guest of the Barney Wilens of Kings Beach.

Announcement has been made of the Placer County Educational Conference to be held in Auburn, January 21, open to parents throughout the county. The conference will be at the State Theatre in Auburn, starting at 10 a. m. Speakers will be Dr. Harold Spears, city superintendent of San Francisco, Dr. Joel H. Hildebrand, University of California, and Mrs. Lynn Thompson. Mrs. Thompson will discuss state wide testing, limited curriculum and other phases of the educational program in the public schools.

Gilford G. Rowland, Sacramento attorney, Dr. H. M. McPherson member of the curriculum commission for the past 15 years will discuss selection, distribution and adoption of state text books, and William Winter, noted news analyst will speak on current world affairs and the part that education has in protecting our heritage.

Transportation from Kings Beach will be furnished by the school district according to Harvey E. Price, principal of the Kings Beach Elementary school.

Mr. and Mrs. Ed Niernberger of Tahoe Vista welcomed daughter Pat home from Sacramento for the weekend. Pat attends IBM school in Sacramento.

Dean Sieger of the Lake Tahoe Area Council addressed the Lake Tahoe Chamber of Commerce at their dinner meeting last Thursday night. Mr. Sieger discussed problems relative to Lake Tahoe and progress of the lakewide study on water pollution.

New by-laws were adopted and directors elected.

A film on the Olympics on the "Fabulous North Shore" film was shown by C. S. "Butch" Beavers.

The Kings Beach Methodist Church is sponsoring a benefit buffet at Crystal Bay Club Thursday, January 26 at 7 p. m. An evening of entertainment and good food is assured by Robert Critchley, chairman of the finance committee who is assisted by Harry S. Hooper, Lyle Gunkle, Maxine Bacus and Marian Mueller. Price for adults is $2.50 with children under 12, $1.50.

Off to Mexico last week on a month's vacation of fishing and hunting are Ruth and Dick Lavery of Tahoe Vista. Driving from Lake Tahoe to Sacramento where Dan and Kitty Cox will join them on the trip and meeting Cash Travers and Art Oldmans of Fair Oaks. On the way, the group will visit Helen and Joby Lewis in Los Angeles.

Dan Cox retired the first of the year as sheriff of Sacramento County.

Taking over the laundromat chores at Kings Beach for the Laverys, will be Ruth Stelzreid.

Have fun and hurry back.

STRIKES & SPARES

BY JOE WILMAN

DON'T HOP, SKIP OR JUMP!

A good many women, and men, too, will have a little hop, skip or jump in their footwork —that throws their stride and their stance off balance. It's simple to elminate if the bowler hasn't been doing it too long.

To start correcting this flaw, I advise walking through the approach slowly. When you walk the approach, you don't include the little jump that is there when you move through it at normal speed. Then, I have the bowler increase his speed a bit. Finally, I have him go through his approach at normal speed.

Sounds simple—but it takes repeated practice to get rid of the mistake if the bowler has been bowling that way for years. The mistake first creeps into footwork, I think, because of an anxiety to get up to the foul line and deliver the ball, by rushing instead of building up speed gradually.

Easy does it in the footwork! Make sure the first two steps are short and slow. Walk through the approach slowly and increasing your speed a bit each time until you can move normally without jumping.

EMPLOYES RESIGN IN UTILITY DISCUSSION

With two or three exceptions, the water and electric department crews of the Truckee Public Utility District resigned at Friday's meeting of the board of directors.

They charged that they were dissatisfied with the management of the district and felt that the directors were not exerting sufficient control to bring the trouble to a satisfactory conclusion.

The recently appointed manager, Harold Hardin was among those who resigned, leaving A. E. Fulcher in charge of the electric department. Ermin Hintz, who formerly worked in the water department, has returned on a temporary basis to assist in the operation of that department.

In the midst of a heated discussion on personnel matters, at a special executive meeting Kenneth Smith, an employe of the district asked for permission to address the board.

Upon being granted the permission, he forthwith drew a Bible from his pocket and amidst silence from the members, read a number of appropriate passages therefrom, which stressed the need for the directors to turn their thoughts to the Almighty wherein their solution lay.

After which, the directors turned to the matters on hand and, without any apparent benefits from the message they had received, again became engaged in debate as to the course to be pursued in the affairs of the district.

According to Director Cecil Edmunds it would have been "more appropriate to have exhorted the board to save them from themselves, and to place the district's interest in the hands of the Almighty."

National Freedom Day, February 1, commemorates the abolishment of slavery in the United States.

TOWN OF WEED VOTES FOR INCORPORATION

The town of Weed in Siskiyou County last week voted to incorporate by a vote of 879 to 228, with an estimate of 90 per cent of the voters going to the polls.

It is interesting to note the comparison between Weed and Truckee in this regard.

In incorporating the town, Weed plans to consolidate some of the existing special districts such as police, recreation, fire, sanitary, but above all they will get state subventions and a portion of the $40,825 they pay out annually in sales tax and from which they got nothing.

The nearest government Weed had before incorporating last week was the county board of supervisors and they were 30 miles away. In Truckee they are 55 miles distant.

When Weed attempted to incorporate in 1947 the plan was opposed by the lumber company. In Truckee when incorporation came to a vote several years ago, the Southern Pacific opposed it.

The boundaries of Weed include approximately 3,500 residents and the assessed valuation of the city is $1.5 million. Truckee's boundaries, as proposed, would be somewhat less, but the same theories as those advanced by Weed might be taken into consideration in comparing the two areas for the purpose of incorporating.

Truckee is presently incorporated but a resolution by the board of supervisors could wipe that ancient code off the books and new boundaries, and more modern methods established under a new incorporation proceedure.

COMMITTEE ASKS FOR CUTBACK ON PRINTING

SACRAMENTO—(CNS) — A legislative committee has called for a cutback of state printing costs by eliminating "cute" drawings and pictures and selling brochures to pay for printing costs.

The joint subcommittee on printing also questioned the costs and value of monthly reports to the governor and the "California Public Outdoor Recreation Plan."

The committee said there has been a large increase in the size of monthly reports submitted by departments to the governor and said there is "editorial confusion" over requirements of the reports.

The subcommittee said reports to the governor and legislature should dwell on critical areas of administration and on developments which have led to proposed revisions of policy.

"Illustrations, charts and graphs should be chosen for the light they cast on the text, and not merely to lure the reader. Adoption of such an editorial policy would eliminate four color covers, reduce the number of black and white photographs, and eliminate 'cute' drawings," the committee said.

Brochures offered to the public would be more general, under the committee recommendations, and would be sold to cover printing costs.

The committee reported it spent considerable time regarding publication of the "California Public Outdoor Recreation Plan."

"The cost of printing alone for part I of this publication was $14,691. This report was produced by the Public Outdoor Recreational Planning Committee. The subcommitte considered the report an attractive, multicolored publication.

RED ALEXANDER GETS PROMOTION BY STATE

O. G. "Red" Alexander, safety supervisor for the state division of highways' Marysville district, has been promoted to highway superintendent in Los Angeles, Alan S. Hart, district engineer announced.

In his new position, which becomes effective January 23, Alexander will supervise the maintenance of roadway and landscaping of the extensive freeway system in the central Los Angeles-Hollywood area.

Widely known throughout the local 11-county, valley-mountain district, he has been maintenance foreman at the Truckee, Yuba Gap, and Roseville stations. He was appointed district safety supervisor in 1956, and senior foreman in 1957.

During Alexander's four-year term as safety supervisor, the district has consistently ranked first or a close second among the state's 11 highway districts for its outstanding employee safety record. Within the last several months, two of the district's seven maintenance territories set an all-time district safety record of three years each without a lost-time accident.

His wife and daughter will remain in Marysville temporarily until they locate a new residence.

Alexander will be succeeded by Jack B. Toller, senior highway foreman of Sacramento.

SECURITY ANALYST ADDRESSES ROTARY

TAHOE CITY—Homer Fahrner, a security analyst, told Tahoe City Rotarians at a recent club meeting at Tahoe Inn, that not more than one in a 100 of the average people who invest in the stock market ever make a profit. He said that playing the stock market is a specialized business that requires constant study just as one should study his grocery or other type of business in his home town if he would be successful.

The speaker added that there is always the possibility of failure in any business but, if you do play the stock market, do so with professional advice, which advice will be to buy top market stock.

Fahrner said he had been associated with various organizations as a security analyst since 1926 and had seen the rise and fall of the stock market but that top price stocks had always been the best buy. Fahrner, of Sacramento, was accompanied by William Hullett.

Visitors attending the meeting were Lion Lee Apple and Rotarian Dwight Roberts of Truckee.

Ralph Bly presided over the meeting attended by 24 members on January 10.

Mr. and Mrs. Richard Higgins and children visited at Rio Linda Sunday.

SUMMER SCHOOL TO OFFER EUROPE TRIP

RENO — University of Nevada's 1961 summer school is offering teachers and graduate students the opportunity to combine study with a six-week European vacation, with an optional "pay as you go" provision.

Plans have been completed and reservations are being accepted now for what has been described as the most unusual summer course ever offered by the university—the "International Aerospace Education Workshop" — scheduled for July 10 to August 18.

The itinerary will take participants from San Francisco to Anchorage, Alaska, then on to Copenhagen, Denmark, via the polar route. From there, students will travel to Berlin, Germany; London, England; Paris, France; Rome, Italy; and conclude the tour in Geneva, Switzerland.

BUT YOU CAN WALK ME HOME BECAUSE IT'S SORT OF LONESOME WITHOUT HIM.

ROCKY LIKES PENNY! ROCKY'S GOTTA GIRL!

YAAA YAA

DON'T LISTEN TO THEM, ROCKY-

I DON'T CARE, BECAUSE IT'S TRUE, I WISH YOU WERE MY GIRL.

I'M **NOBODY'S** GIRL AND I DON'T WANT TO BE.

WELL, YOU DON'T HAFTA GET SO MAD ABOUT IT.

THE KIDS WERE TEASING ROCKY BECAUSE HE WALKED ME HOME, PAT. THEY SAID I WAS HIS GIRL, AND I GOT REAL MAD!

WHY GET MAD? ROCKY TOLD ME ONCE THAT HE'S GOING TO MARRY YOU.

HE'S KOOKIE! I JUST LEARNED TO WRITE MY NAME, AND IF I MARRY HIM IT'LL BE DIFFERENT. AND I'LL HAVE TO LEARN TO WRITE IT ALL OVER AGAIN!
